Career Objective

To secure a Manual Tester position where I can utilize my knowledge of manual testing, web technologies, and UI/UX design to ensure the delivery of high-quality software products. Eager to contribute to a dynamic team and grow my skills in software testing and quality assurance.

Skills

- Manual Testing: Test case creation, test case execution, bug reporting, and defect tracking.
 - Web Technologies: HTML, CSS, JavaScript (Basic), Bootstrap.
 - Database: SQL (Basic).
 - Tools: GitHub, Microsoft Excel (Test Case Documentation).
 - Development Areas: UI/UX Design, Responsive Web Design.
-

Projects

1. Academic Project – "Developed Website"

- Developed and deployed a responsive platform using HTML, CSS, JavaScript, and Bootstrap.
- Integrated dynamic content management and seamless user experience features to enhance functionality and accessibility.

2. Bootstrap Project

- Designed and developed responsive, mobile-first web applications using Bootstrap.
- Ensured compatibility across devices while following modern UI/UX practices.

3. Webpage Practice

- Built and experimented with multiple small-scale web pages, emphasizing semantic HTML, accessibility, and interactive JavaScript features.
-

Training

- Manual Testing Training | Enjoy Programming | 2024
 - Learned test case creation, execution, and defect tracking.
 - Gained hands-on experience in manual testing processes.
 - Full Stack Development Course | Enjoy Programming
 - Acquired skills in HTML, CSS, JavaScript, and Bootstrap for web development.
-

Education

- Bachelor of Science (B.Sc.)
Nabira Mahavidyalaya, Katol
-

Technical Skills

- Manual Testing: Test case creation, execution, and bug reporting.
 - Web Development: HTML, CSS, JavaScript (Basic), Bootstrap.
 - Database: SQL (Basic).
 - Tools: GitHub.
-

Languages

- English
 - Hindi
 - Marathi
-

Achievements

- Conducted peer code reviews to identify potential bugs and improve code quality.
- Developed a responsive e-commerce web application using JavaScript to implement dynamic front-end features.

Hobbies

- Exploring new technologies and tools in software testing.
 - Practicing UI/UX design principles for web applications.
-

Declaration

I hereby declare that the information provided above is true to the best of my knowledge.
